

# Tammy Melton

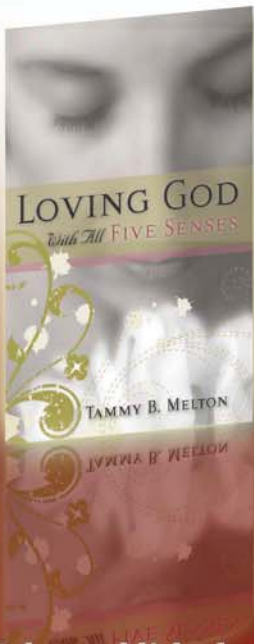

*Sharing messages that ignite a passion for Christ*

Tammy Melton has a unique way of communicating so that new Christians can understand and mature Christians can be challenged.

Tammy has been in ministry since 1986. She is the founding president of Legacy Ministries for Christ, Inc. in Fayetteville, GA. Tammy was credentialed for ministry with Servanthood Ministries in 2000. She is also a 2006 CLASServices graduate. Tammy is a member of Toastmasters and speaks for churches, retreats, seminars and mission trips abroad.

Tammy has been happily married to Bill Melton since 1986. The Meltons reside in Fayetteville, GA with their two daughters, Amy and Amber.

Tammy's book, *Loving God With All Five Senses*, reveals God's unconditional love for each of us that goes beyond the gratification of our natural senses. This six-week study is great for individuals or groups. Tammy offers a wide variety of speaking presentations to go along with the book, including:

- a single message
- three messages for a retreat format
- six messages, each to go with a unit of the book

"Tammy Melton has done a masterful job linking the five senses to the cultivation of an intimate relationship with God. These provocative concepts can become practical and relevant by using her 'Going Deeper' Bible study at the end of each chapter."

Dick Biggs, author, *Burn Brightly Without Burning Out*

"Tammy's words breathe new life into our own spirits through her insight about the senses. Bits of wisdom from her own life and rich illustrations from Scripture make this book a delight to read."

Linda Dillow and Lorraine Pintus, authors, *Intimate Issues*.

## Presentation Topics

- **Motivational Gifts** Tammy teaches about the gifts from Romans 12 and how each one functions in the Body of Christ. This one is especially good for a weekend seminar.
- **You Can Have Hope!** What causes us to lose our hope? How can we have hope again? What is “blessed hope?” Tammy answers these questions and encourages the audience to desire hope.
- **He Loves Me!** Tammy shares how Jesus had a divine meeting with a Samaritan woman who had looked for love in all the wrong places. This time Love found her and she could finally proclaim, “He loves me!”
- **JOY in the Midst of Trials** When we go through trials we are tempted to lose our focus and thus lose our joy. Tammy teaches the right focus on Jesus, on Others, and on Yourself during hard times.
- **The Call, The Commission and the Mission** We all have gifts and callings of God on our lives. Tammy shares what it takes to accept the call, be commissioned to serve and follow through with the assignments.
- **What is in the Way?** What is in the way of us getting in “The Way” of abundant life? Tammy takes a fresh look at the tabernacle of Moses paralleled to Jesus being the Way (outer courts), the Truth (the Holy Place) and the Life (Most Holy Place).
- **Unveiling a Treasure** What a treasure we have in Jesus! He also calls us His special treasure! Tammy shares what kind of price it costs for the treasure and what is our ultimate reward.
- **In the Fullness of Time** How do we know we ARE ready to do what God calls us to do when He calls us to do it? Tammy answers that by showing how we can be Alert, Ready and Expectant.
- **Custom presentations to go along with a variety of topics** Tammy’s messages can be presented in single messages or expanded for retreat or seminar formats.
