**Stories like, "Christmas at Big Lots", "The Plastic Holy Family", "Have a Mary kind of Christmas" are extraordinary!** Author of, "Conversations at the Girlville Diner", Kim reminds us with gut wrenching humor about the Love of God, the gift of Christ and the joy of Family. Her stories will have you in tears and doubled over with laughter. Her music will draw you into God's presence and put a celebration in your spirit. Book Kim Bolton for your event and she will renew hearts and stir souls as she reminds us that, "Jesus really is the reason for the season".
